Playgrounds

water baubles

Water available

food

lots of plants and trees nature - water

Affordable vegetarian/vegan food options.

Important to consider: accessibility for all people (physical access)

plenty of seating

Things for everyone of all ages to do so everyone feels included

Free parking

Quiet spaces that are a bit more separated and private.

Flying trapeze workshops and performances.

Shade and cover

Public transport to get the arts precinct - a lot of young people will not go unless they can get there easily

live music, local bands

spaces to sit: to rest or eat

outdoor theatre for street performances

Sensory friendly spaces.

Plants and shade.

Some kind of music making area would be really cool and interactive, especially for kids. Something like wind chimes that is large and exciting!

Community Garden

Light and Windows. Bright open space

coffee

Spaces for live performance and audience seating

areas for digital devices (eg. charging stations)

Small bike repair station (I've seen them around Canberra) to encourage active travel
